Where The Wind Blows

2025

Proctor Jr/Sr High School

We, the senior class of 2025, dedicate this yearbook to...

Patricia Ryan!!

Every day, Ms. Ryan's class is unique. We never know what kind of adventures we are going to embark upon.
For her 15 years of teaching at Proctor, she has been easy to understand and effective at helping students do their best in a subject often considered to be the hardest in school. She loves a good joke, and will even joke with the students when time permits. Ms. Ryan regularly incorporates games into her teaching, allowing students to have fun while learning. Whenever she hears students laughing, she says things like, "Do I hear fun?" "Are we being nice?" If we get distracted in someone else's business, she often says, "Stay out of it." We think Ms. Ryan is an amazing teacher and an even better person. We'll miss you; enjoy retirement!!
